Jesus in His Own Words

BY REV. JAMES FORSYTH

.....

Jesus Christ is undoubtedly the most influential figure in world history. This is true no matter what you think of Him: no other person even comes close to being as significant. No matter what you believe, He deserves careful attention.

Of course Christians believe that Jesus was no ordinary person – He was human but He was also God. In fact for Christians, Jesus is everything – it's only through Him that people can have true life both today and for eternity. We're all about Him. All the time.

This summer we're going to spend time getting to know Him. Not by listening to what others think about Him but by hearing from Jesus Himself. In the first four books of the New Testament – often called the Gospels – Jesus tells us about His life: who He was, why He came and what difference it should make to our lives.

Join us as we work our way through these books and discover *Jesus in His Own Words*.
